

NEW

An updated version of Shrimp Set Smart, equipped with the novelty Leddy Smart 2 lamp. Designed for keeping shrimp, small fish, and aquatic plants. This line of aquarium sets includes three models with dimensions of 20x20x25 cm, 25x25x30 cm, or 29x29x35 cm and a capacity of 10, 20, and 30 l correspondingly. Each set includes an aquarium tank with a cover glass, a protective sponge mat, one Leddy Smart 2 PLANT lamp, one Pat Mini internal filter, an automatic heater, and Acti Crustabs shrimp food.

**The Leddy Smart 2 lamp, which distinguishes the new set, is modern in shape and high in performance. High-power LEDs emit light at a colour temperature of 8000 K. The use of as many as 15 LEDs with a total power of 6 W in one lamp ensures a uniform and optimal illumination of the entire tank.** The tiny Pat Mini filter, equipped with a dense sponge, keeps the water clean. As an additional bonus, each set includes the Acti Crustabs food tablets, developed to ensure a rapid growth of crustaceans.

**LEDDY SMART 2  
NOVELTY LAMP**

**PRODUCT  
OF POLAND**

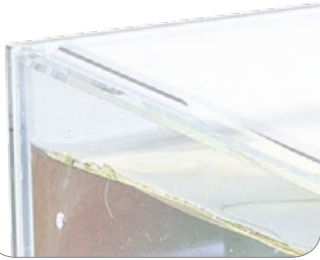

### COMMERCIAL ADVANTAGES

- 3 models, available in black or white
- fully equipped: includes a heater, a filter, and shrimp food
- a high-end, energy-efficient LED lamp that boosts the growth of plants and highlights the natural colours of shrimp and fish
- high decorative value
